

UUCR New Members
March 23, 2014

Kerri Ardner

Kerri Ardner grew up in Canton, Ohio and was previously a member of the UU Congregation of Greater Canton. She currently lives in Reston after returning from Madrid, Spain in 2012 where she was serving as a member of the Foreign Service. In her free time she teaches English as a second language and enjoys spending time with her friends.

Renee Fulton

I was raised by 2 Unitarian Universalists and was a member of UUCR for a couple of years before I left for a few years of extensive travel -- domestic & international. I am back in area now with a new puppy & 2 birds and looking forward to reconnect with the UUCR community. I have been fortunate to have attended UU churches across the country.

Craig Anderson

Craig grew up in Minnesota where he studied physics and astronomy before moving to California in search of a job. He ended up in Silicon Valley where he lived for 8 years before heading to Colorado. After 10 years near Denver mountain biking, camping, hiking, and snowboarding he and Amy moved to Herndon, Virginia in 2006. His hobbies here include astronomy, photography, computers, and messing around in the workshop where he tries to keep Zia and Rigel out of trouble.

Amy Anderson

Amy Anderson is a stay-at-home mom to Zia and Rigel and wife of Craig. Her family keeps her busy but she still spends much of her time volunteering in Girl Scouts, swim pool board, and for the kids' schools. She also likes to take her kids on adventures to see the local sites, hike, and read books. In a previous life, she earned a Ph.D. in behavioral neuroscience.

Rigel Anderson

Rigel is 4 years old, attends preschool, and loves to figure things out. He enjoys playing with his "Big Orange Train," hanging out in the workshop, helping to prepare meals, riding his go-cart, soccer, swimming, playing with his sister, and doing the dishes. He recently helped to build a bluebird house for the backyard and a grain silo for his train, and he has a lot of big ideas for what to do next.

Zia Anderson

Zia is 7 years old and in first grade. She loves to read, play games, tell stories, play with her hamster, and to put on shows for her family. In addition to school Zia is taking classes in diving and dance and is a girl scout. She's a really good big sister and spends a lot of her time teaching Rigel, playing with him, and reading him stories.
